PETITIONER'S COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 276C3 to Anacoco, Louisiana as that community's first local FM service. Anacoco, Louisiana is an incorporated community with its own zip code and a population of 866 people. Anacoco has its own volunteer fire department, post office, mayor, Leroy Cooley, town hall, water department and a number of local churches. Anacoco is a community that is certainly deserving of local FM service. The proposed channel 276C3 will provide additional diversity and an outlet for local self-expression to Anacoco residents and therefore is in the public interest.

Should this petition be granted and Channel 276C3 be allotted to Anacoco, Louisiana, Petitioner will apply for Channel 276C3 at Anacoco and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,

Charles Crawford
